I am good with driving back on Sunday morning and driving back up on Monday. I like that drive. Sorry you have to miss part of your anniversary!

Oh...I should also ask you: are you ok with driving back from Hot Springs on Sunday morning October 6<sup>th</sup> and then heading back up to Pierre Monday, October 7<sup>th</sup>? I was planning on this amount of driving so I can be home Sunday evening for my anniversary, but let me know your thoughts, etc. If you wanted to stay in SD, the trick would be finding a way to get you from Hot Springs to Pierre (however unlikely, if Jeff Jollie comes to the hearing, he may have his own car).

OK Thanks! That sounds good.

That's good to know. I would like you to attend, so let's plan on that at this point. Jeff Jollie will be coming for OGWDW and I have even told Bill that he is welcome to come early to attend our hearing in Hot Springs! I think Sarah will be ok with the whole Section attending.

I will send out an email soon asking folks to book their hotel room and cut their TAs.

I would kind of like to go. I was looking forward to meeting everyone from South Dakota, since I have been working with them on the UIC reporting app and keeping them updated on Dewey-Burdock. There is also the UIC data reporting topic on the agenda. I didn't know if I would present that or if our rep from HQ would present that. Who is our HQ rep this year?

You had mentioned that it would be helpful for me to remain behind to act in your absence. If you have a strong preference about that please let me know. I am fairly neutral, but leaning toward wanting to go more than wanting to stay behind.

Thanks!

Hi Valois: Would you prefer to be excused from our trip to Pierre following our hearing on the 5<sup>th</sup>? If so, would you still be open to presenting on DB (similar to your brief public hearing presentation) remotely for our meeting in Pierre?

Also, I heard from Sarah yesterday that we should be getting a request soon to provide an update on tribal consultation activity for TCOTS reporting. I will forward that to you when I receive it.

Thanks,

Douglas

Thanks!

After we have caught our breath, we should talk about the State Directors meeting in Pierre that Mike is hosting. While I plan to drive back up on Monday, October 7<sup>th</sup> with our team, perhaps we can have you present remotely by webinar on the DB permits so you don't have to make the return trip (unless you want to)! Your being here would help in terms of coverage while the rest of us are gone, and there is no advantage of you having quality time with Bob K when you can do that here in Denver!

**Subject:** I send email to everyone on the Dewey-Burdock contact list, but I am having trouble replying to the mass emails

Hi Douglas,

I sent our standard email to everyone on the DB contact list. I am not having any luck getting Outlook to send a message to the mass emails. I will call the help desk tomorrow to get help with that.

I will send an email to our NRC contacts.

I gave Mike Lees a call to let him know about the updated draft permits being issued. He is the new Mining and Minerals Administrator at SD DENR.
